

Disclaimer

This website provides information on general use of homeopathic products and resources. There are no representations or warranties expressed for the accuracy, reliability, or accessibility of the information on products and services included in the links to other websites. Any reliance placed on the information is therefore at your own risk and full consent.

We ensure to regularly update the pages and provide accurate information. However, the content found on other links and pages is not in our control and therefore HomeoChakra does not endorse the views expressed on the sites.

HomeoChakra will not be liable if the website is temporarily unavailable due to technical issues outside of our control.

Local Jurisdiction

All Homeopathic practitioners on this platform abide by the regulations of associations of their respective country and the guidelines provided by the Australian register of homeopaths. Please note that this may differ from the laws of your country therefore get in touch with your homeopathic practitioner if you have any questions regarding this.

This website provides general information on health and the use of homeopathic remedies, please do not use this information for any specific treatments or conditions, as this will require you to book a consultation. The information on this website does not imply any representations or warranties.

Please seek medical advice from your doctor or professional healthcare provider for any specific questions pertaining to your health and you must not use the information on this website as an alternative to your general practitioner.

You must never delay medical advice or discontinue your ongoing treatment based on the information on this website and please seek immediate medical attention in case of any specific health condition.

Homeopathic Consultation

Once you make a booking with one of our practitioners, please note that the advice provided is based on the principles of homeopathy and the information obtained during the case. It should not be used instead of the advice from your general medical practitioner. All practitioners are responsible for the information provided and the clients are responsible for their actions based on the advice.

HomeoChakra is not liable for any outcomes, loss, or damages from using the information whatsoever or linked to this website. As this is a platform for people to connect with the homeopath and voluntarily consult with them. All patients or clients take full responsibility of the outcomes and actions and there are no warranties on the information supplied via this platform.

This information is not intended or implied to substitute professional medical advice. No information on this platform or provided in a consultation should be taken for medical diagnosis.

The interactive features of this platform allow users to communicate with our team, however some limitations of the website's interactive feature may not provide you with complete information therefore this does not constitute to specific advice and should not be relied without consultation or confirmation with the practitioner.
